GOVERNMENT OF INDIA
SKILL DEVELOPMENT AND ENTREPRENEURSHIP
LOK SABHA

UNSTARRED QUESTION NO:930
ANSWERED ON:02.03.2016
Non Availability of Jobs after VTP
Singh Shri Abhishek

Will the Minister of SKILL DEVELOPMENT AND ENTREPRENEURSHIP be pleased to state:

(a) whether the Government is aware of non-availability of jobs for students trained under its vocational training programmes and if so, the details thereof;

(b) the details of steps taken by the Government to ensure job placement for youth trained under its various skill development training programmes; and

(c) the number of youth who got training under the various training schemes and the number out of which who are still unemployed?

Answer

MINISTER OF STATE (INDEPENDENT CHARGE) IN THE MINISTRY OF
SKILL DEVELOPMENT AND ENTREPRENdEURSHIP
(SHRI RAJIV PRATAP RUDY)

(a) to (c) In order to understand the sectoral and geographical spread of skill requirement/gaps and incremental human resource requirement across the sectors, studies have been undertaken by the Government through National Skill Development Corporation (NSDC), a Public Private Partnership (PPP) entity. As per the study, employment opportunities in India would increase from 461.1 million in 2013 to 581.9 million in 2022, across the 24 sectors, pointing at an incremental human resource requirement of approximately 120.8 million. Considering the overlap in the human resource requirement across a number of sectors, the unique number for incremental demand would be 109.7 million by 2022, wherein the top 10 sectors would account for 80% of this requirement. State-wise incremental human resource requirement has also been worked out according to which incremental demand is accessed at 120.33 million by 2022.

To meet the incremental demand of skilling, there are over 40 skill development schemes implemented by over 18 Central Ministries/Departments across various sectors which has the mandate to promote skilling of all the people including youth, in the Country.

Details of people trained under various skill development schemes/programmes of over 18 Central Ministries/Departments for the year 2014-15 to 2015-16 (upto December, 2015) are as under:-
(Figures in lakhs)

Year	Number of persons trained
2014-2015	76.12
2015-2016	37.44 (upto December, 2015)

Many of these schemes do not have provision for tracking employment of the trainees. However, the Common Norms approved by the Government for skill development schemes on 15th July, 2015, has the provision of incentivising the training providers to facilitate employment of youth trained under their centres and tracking of the trainees for the initial period. The Common Norms will be applicable on all government schemes w.e.f. 1st April, 2016.
